Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Attached please find the signed and initialed copy of the PTO form 1449 filed July 7, 2003, which has now been considered by the examiner. The last listing of the International Search Report has been lined through however, as the listing of a search report is not a proper citation on a 1449 form. However, the references listed on the search report have been considered.
